## Staff Predictions

### Todd D. Burlage: Notre Dame 34, Duke 28

Following its season-opening 28-7 upset win over No. 9 Clemson, Duke moved from a program with moderate season expectations to a strong candidate to vie for the ACC championship. A balanced team that averaged 36.0 points through its first three games and allowed only 9.3 points per outing, this might be considered Notre Dame's toughest true road test on the schedule this season. But the Irish find a way to get it done in a good battle.

### Steve Downey: Notre Dame 27, Duke 23

The Blue Devils put the ACC on notice when they trounced then-No. 9 Clemson 28-7 Sept. 4 — their first win versus an Associated Press top-10 team since Steve Spurrier was in charge in 1989. After a devastating loss to Ohio State, Notre Dame must get up off the mat and match Duke's intensity in what should be a charged environment. Keep an eye on the turnover battle. Since Mike Elko arrived in Durham, the Devils are 10-2 in games in which they held the advantage in that category. This game may prove to be one of Notre Dame's tougher road tests of the season, but the Irish are more talented and their offense has been performing at an unprecedented level with Sam Hartman — who has yet to throw an interception this season — running the show.

### Kyle Kelly: Notre Dame 34, Duke 31

In the *Blue & Gold Illustrated 2023 Football Preview*, I circled Duke as a potential trap game for the Fighting Irish. And after a hard-fought game with Ohio State, I absolutely still see that being the case. This one will be much closer than Notre Dame fans prefer. However, I like the Irish to escape Durham with a victory.

### Tyler Horka: Notre Dame 35, Duke 17

This is one of the biggest games in Duke history. The moment is going to be too much for the Blue Devils. Riley Leonard is a good quarterback, but Duke doesn't have enough firepower around him in the passing game to keep up with a Notre Dame offense that can hurt you through the air with Sam Hartman and on the ground with Audric Estimé. Everything about this matchup screams "trap game" for the Fighting Irish, but they won't fall into it.

### Jack Soble: Notre Dame 34, Duke 27

Duke is a good football team. The Blue Devils run the ball at an extremely high level and their defense looks much improved. And the Notre Dame defense showed against Central Michigan (and to some extent Tennessee State) that it can start slowly from time to time. A potential Ohio State hangover exacerbates that possibility. But ... Notre Dame has a much more efficient passing game, and that's tough to overcome.
