Staff Predictions

Todd D. Burlage: Notre Dame 24, Clemson 20

Preseason chatter that the once mighty Clemson program had slipped in recent years and was vulnerable this season has come to fruition with the Tigers losing three of their first seven games. Missing the elite quarterback play Clemson enjoyed with Deshaun Watson and Trevor Lawrence when it was a College Football Playoff mainstay, the Tigers have already lost at least three games for a third straight season. Clemson is still stingy on defense, which will keep this game close throughout. But Notre Dame finds a way to claim its fourth win over the Tigers in the last six tries since 2015.

Steve Downey: Clemson 24, Notre Dame 16

The Tigers have lost seven of their past 12 games against Power Five competition and already have four losses in ACC play for the first time since 2010, when they went 6-7 overall and 4-4 in the league. However, the underlying metrics suggest Clemson is not as bad as its 4-4 record would indicate. The Tigers are currently 20th in ESPN's Football Power Index and 21st in SP+. They are also among the top 15 in successful play differential and explosive play differential.

The biggest problem has been the offense coughing up the ball 15 times, including 10 lost fumbles (tied for the second most nationally). That has led to one of the worst red zone offenses in the country (121st, .707 scoring percentage).

If they can clean up the mistakes on offense, the Tigers possess as a good a defense — sixth in the country in total defense (266.9 yards allowed per game) and 12th in pass efficiency defense (109.14 rating) — as the Irish will face this season. They should also be plenty motivated to avenge last year's beatdown in South Bend.

Kyle Kelly: Notre Dame 23, Clemson 20

Even though Clemson has regressed since Notre Dame upset the Tigers 35-14 last year in South Bend, I do not expect the Irish to replicate that dominant performance in Death Valley. Still, I see Notre Dame escaping with a victory. I like veteran Irish quarterback Sam Hartman to outduel former prized recruit Cade Klubnik and the Irish defense to pitch a strong effort.

Tyler Horka: Clemson 27, Notre Dame 21

Something smells fishy to me about everyone coming to complete agreement that this Notre Dame season is destined to finish with double digits in the win column just because the Fighting Irish routed a USC team that lost at home to Utah the very next week. Remember, this is the same Irish team that got whooped 33-20 the last time it went on the road against an ACC opponent in Louisville Oct. 7.

Clemson is not very good this year. But the Tigers did play one of the four best teams in the country, Florida State, within a touchdown earlier this year in Death Valley. This pick is a mixture of me thinking Clemson will somewhat rise up off the mat and believing Notre Dame is somewhat destined to fall back onto it one more time this year. Crazy things have happened.

Jack Soble: Notre Dame 23, Clemson 14

Clemson's defense is excellent in every facet, but Notre Dame has two key advantages. No. 1, the Irish are less bad on offense than the Tigers. No. 2, Notre Dame is the more experienced team with the more experienced quarterback. Going into Death Valley is difficult, but the Irish will leave with a win.

Game Info NOTRE DAME AT CLEMSON

Date: Nov. 4, 2023

Kickoff: 12 p.m. ET

Television: ABC

Radio: This game can be heard on Notre Dame IMG affiliates.

Series Facts: This is the eighth all-time meeting between Clemson and Notre Dame. The Tigers lead the series 4-3. The Irish won the last meeting 35-14 in South Bend on Nov. 5, 2022.

Head coaches: Clemson — Dabo Swinney (165-43, 16th season); Notre Dame — Marcus Freeman (16-7, second season).

Noting Clemson: Once a Notre Dame recruiting target, running back Will Shipley had 112 carries for 515 yards and 3 touchdowns in the Tigers' first eight games ... Five-star quarterback Cade Klubnik's numbers would not suggest the Tigers are having a rough season; he completed 63.9 percent of his passes for 1,947 yards with 13 touchdowns and 5 interceptions in his first eight games of the season ... Clemson had the nation's No. 6 overall total defense through Week 9, allowing just 266.9 yards per game ... The Tigers' defense is especially stingy against the pass, giving up just 167.8 passing yards per game through Week 9 ... Clemson has struggled with turnovers offensively; the Tigers had 15 through Week 9, which was tied for No. 107 in the nation ... This Saturday, Swinney will again attempt to pass College Football Hall of Famer Frank Howard for sole possession of Clemson's all-time head coaching wins record; Swinney tied Howard with his 165th career victory in a 17-12 win against Wake Forest Oct. 7 ... The Tigers are 33-9 in games following loss during Swinney's tenure.
